## GUIDELINES TO A SUCCESSFUL BREEDING SEASON WITH KIOWA RANCH IN 2019

First of all, thank you for choosing one of the superior stallions that I manage for your good mare and for trusting me with your hopes and dreams.

Having a lifetime passion for breeding good horses, I am thankful that I have bred, produced and managed both stallions and mares that have made a significant impact in the Equine Show Horse industry such as Blazing Hot, Extremely Hot Chips, Born To Be Blazing, Born Lopin, Miss Surely Bars, Ms Custom Maid (granddam of Batt Man), Really In Trouble, and the list goes on.

Due, to my lifelong work in the Quarter Horse breeding industry, I am honored to be an AQHA Director and serve on the illustrious Stud Book and Registration Committee. We have a duty to uncover and control genetic defects and illnesses. We also are committed to writing guidelines for improvements within the industry, as well as care for the breeding customers.

My goal with you is to treat you with respect and provide a sincere effort at efficiency, in that we get your mare bred promptly and without issue. The Shipment Fee is \$400.00 for same day airline service or \$300.00 for Federal Express. The Stallion Collection Fee is included within the first Shipment Fee; however, if subsequent shipments are necessary, whether request is made for extra shipments in the same cycle or a new cycle, a Stallion Collection Fee will be charged prior to shipment or pick up of \$75.00.

Once the shipment of Cooled Semen leaves Kiowa Ranch, there are NO GUARANTEES to Mare Owner that shipment will arrive at the requested destination within the scheduled time, due to lost shipment or delayed delivery due to weather or any other circumstances. You are guaranteed one (1) dose of quality semen with no less than 1 billion progressive cells per dose, with a second (2<sup>nd</sup>) dose included if available; a sample of each collection is always kept for diagnosis at Kiowa Ranch from your shipment. My GUARANTEE to you is to send the correct dosage of viable semen that will ensure your veterinarian the opportunity to get your mare in foal.

### Important directions that will help us both in attaining our goal of getting your mare in foal:

- Breeding Season begins February 11<sup>th</sup> with Collection days throughout the season every Monday, Wednesday and Friday.
- Please be certain that I have a signed contract, a copy of your mare's Cert. of Registration, payment in full for breeding fee, along with payment information for shipping (No Shipments without prior Payment); I accept personal checks, MasterCard, Visa, Discover and Pay Pal.
- Please have your mare checked on Tuesday, Thursday, Saturday and/or Sunday, which are my off day of collection, as your veterinarian deems necessary:
- Place semen order for shipment day prior to collection days via TEXT to 940.727.3474; leaving me detail of owner's name, mare's registered name and contact's name as to whom receives the shipment. Contact person will receive a picture of the label &/or the Tracking # or Air Waybill #, by text, email &/or phone call. If you are unable to text, please call the above number, which is Joan!

By following these guidelines, it will allow me time to ensure accuracy in completing the shipping label and accounting prior to collection day when I am handling stallions. Please return reusable shipping container at your earliest convenience by the least expensive method to my physical address listed below.
